Bièvre Room

For the sauce

Dance therapy association

Ideally located in the heart of Paris, in the Latin Quarter, a stone's throw from the banks of the Seine and Notre-Dame, our room is steeped in the history of Paris. Its charm, with its natural stone walls and exposed beams, invites you to serenity and inner calm.

# The place

We provide you with a wellness space in which you can do meditation, relaxation, dance therapy, yoga, pilates activities, as well as training.

This space is made up of a beautiful, warm room of around 50 m2 with a soft, floating parquet floor, suitable for practicing physical activities. Classified as ERP5, it can accommodate up to 20 people, including teachers.

A charming veranda of approximately 10 m2, accessible from the large room, allows you to change clothes, chat and have tea. A small outdoor patio with table, chairs and green plants completes the ensemble.

The private toilets are located on the second inter-floor of the building, accessible via a door leading directly to the interior staircase.

Equipment is at your disposal, including a sound system, Tibetan bowls, and musical instruments. You will also find oracle card games, incense sticks and books.

**IMPORTANT:** In order to respect the neighborhood, the sound volume must remain moderate and the door leading to the veranda closed.
